Re: Orchard Ranch LLC Permit Application No. 63-32703 and Transfer No. 73834
Kuna Cole 880 Permit Application No. 63-32680

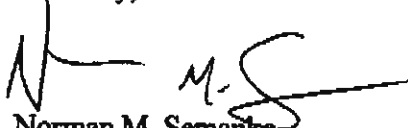

Dear John:

In response to my letters of December 17, 2007, you indicated in your response of December 18, 2007 that "it is estimated the above applications would come up for processing in March 2008." In response to my follow-up phone call in March, you left a voice mail indicating that the processing of these applications should begin soon. Now, it is almost May and we have not seen any movement by the Department on these applications.

Please provide me with an update on the expected processing timeline for these applications.

Thank you for your attention to this matter.

Sincerely,

Norman M. Semanko
Attorney at Law
